UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

## HUNTERS CAPITAL, LLC, et al.,

Case No. 20-cv-00983-TSZ

Plaintiffs,

STIPULATION AND [PROPOSED]  
ORDER PERMITTING AMENDMENT  
OF COMPLAINT AND AMENDING  
CASE SCHEDULE

CITY OF SEATTLE,

**NOTE ON MOTION CALENDAR:  
June 28, 2021**

Defendant.

## STIPULATION

The parties have been engaged in extensive and ongoing document production, depositions, and other discovery for more than seven months. This has included the ongoing review and production of hundreds of thousands of pages of documents by both sides, including documents with difficult technical issues, such as text messages. During that process, Plaintiffs determined that two entities that are related entities of Hunters Capital LLC should also be named, and seek to amend the complaint to add them as parties. Plaintiffs' proposed Third Amended Complaint is attached to this filing as Exhibit A, and is redlined against the Second Amended Complaint filed in this action. The parties agree that allowing this amendment after the deadline in this case for joining additional parties is more efficient for the parties and the Court than requiring the added parties to file a separate proceeding. The parties stipulate that Plaintiffs

1 should be allowed to file a Third Amended Complaint in the form attached as Exhibit A.

2 The parties also agree that the addition of these two additional entities, as well as other  
3 issues they are working together to address in discovery, warrant a modest extension of the  
4 deadlines and trial date in this case to allow both parties to adequately prepare for those deadlines  
5 and for trial. The parties believe this extension is shorter than what would be necessary if  
6 Plaintiffs were to file a separate action on behalf of the added entities related to Hunters Capital,  
7 LLC. The parties agree that no prejudice will be incurred by either side, and judicial economy  
8 will be served, if this joint request is granted.

9 Based on the need for additional time and to avoid scheduling conflicts, the parties  
10 therefore jointly request that the Court issue the proposed order set forth below, with a trial date  
11 of October 17, 2022, or as soon thereafter as it is convenient for the Court.

12 STIPULATED AND AGREED TO this 28th day of June, 2021.

6 vs.

7 CITY OF SEATTLE,

8 Defendant.

9

10 Plaintiffs hereby allege as follows:

11 **I. OVERVIEW**

12 1. The rights of free speech and to peaceably assemble are enshrined in our  
13 constitutional tradition. Plaintiffs support free-speech rights and support the efforts of those like  
14 Black Lives Matter who, by exercising such rights, are bringing issues such as systemic racism  
15 and unfair violence against African Americans by police to the forefront of the national  
16 consciousness. Specifically, Plaintiffs support the free-speech rights of many of those who  
17 gathered on Capitol Hill to form what has been called “CHAZ,” standing for the “Capitol Hill  
18 Autonomous Zone,” or “CHOP” for “Capitol Hill Organized Protest” or “Capitol Hill Occupying  
19 Protest.”<sup>1</sup>

20 2. This lawsuit does **not** seek to undermine CHOP participants’ message or present a  
21 counter-message. Rather, this lawsuit is about the constitutional and other legal rights of  
22 Plaintiffs—businesses, employees, and residents in and around CHOP—which were overrun by  
23 the City of Seattle’s unprecedeted decision to abandon and close off an entire city neighborhood,  
24 leaving it unchecked by the police, unserved by fire and emergency health services, and

25 <sup>1</sup> This complaint primarily refers to the area as “CHOP,” and the people who participated in CHOP who are not  
businesses, employees, or residents of the area as “CHOP participants.”

1 inaccessible to the public at large. The City's decision subjected businesses, employees, and  
 2 residents of that neighborhood to extensive property damage, public safety dangers, and an  
 3 inability to use and access their properties.

4       3. On June 8, 2020, the City of Seattle ("the City") abruptly deserted the Seattle Police  
 5 Department's East Precinct on the corner of Twelfth Avenue and E. Pine Street in Seattle's Capitol  
 6 Hill neighborhood, leaving behind numerous barriers that had previously been used as a line  
 7 between police and protesters.

8       4. When the City abandoned the precinct and the nearby barriers, a number of  
 9 individuals who had been in the area took control of the barriers and used them to block off streets  
 10 in an area around the East Precinct.

11       5. In the days and weeks after the City abandoned the East Precinct, CHOP  
 12 participants occupied the public streets, sidewalks, and parks in the area at all hours of the day and  
 13 night. Rather than seeking to restore order and protect the residents and property owners within  
 14 CHOP, the City instead chose to actively endorse, enable, and participate in the occupation of  
 15 CHOP.

16       6. The City provided Cal Anderson Park, a public park located at the center of CHOP,  
 17 to CHOP for use as the staging ground supporting CHOP's occupation of the surrounding area.  
 18 Supported by the City, countless CHOP participants resided in the park at all times of day and  
 19 night, having turned it into a tent city. At any given time, hundreds of CHOP participants camped  
 20 out in the park. Violence, vandalism, excessive noise, public drug use, and other crimes were  
 21 rampant within the park.

22       7. The City's conduct resulted in CHOP being blocked off from public access. Among  
 23 other conduct detailed below, the City provided the participants with concrete barriers to use to  
 24 block the streets, which CHOP participants indeed used to barricade the streets and create borders.  
 25 These borders, at times, were guarded by armed CHOP participants who oversaw who could or

1 could not enter CHOP. As a result, the streets were barred to most all vehicular traffic, making it  
 2 virtually impossible for residents and businesses to access their buildings, receive deliveries, and  
 3 provide goods and services to the few customers willing to enter CHOP.

4       8. The City's conduct also resulted in the elimination of basic public safety within  
 5 CHOP and nearby areas. For example, the City enacted a policy under which police would not  
 6 enter the CHOP area except during life-and-death emergencies, and, even in those situations, the  
 7 response was, at best, muted and late. After a fatal shooting in the early morning of June 20, 2020,  
 8 for example, officers did not even approach the area of the shooting until approximately 20 minutes  
 9 after the shooting, and no professional medical response was available for at least 15 minutes. At  
 10 other times, even during life-and-death emergencies, the police acquiesced to demands from  
 11 CHOP participants that they abandon the area. The City acknowledged the serious safety issues it  
 12 created, in particular noting that there were "dangerous conditions" at night, but the City  
 13 nonetheless chose to maintain its policy of providing resources and support to the CHOP occupiers.

14       9. The City's conduct enabled the widespread destruction and vandalism of private  
 15 property. Graffiti was and is pervasive throughout the area—it is not only on barriers, streets,  
 16 sidewalks, but also on nearly every private building within CHOP. Graffiti that was painted over  
 17 almost immediately returned, and property owners were told by CHOP participants that if they  
 18 dared to paint over graffiti, their buildings would be more severely vandalized or even burned to  
 19 the ground. The City did nothing to prevent this conduct from June 8, 2020 to July 1, 2020, but,  
 20 instead, actively endorsed and supported the ongoing occupation of the CHOP area and the  
 21 destruction of property that accompanied it. As a result, property owners and their tenants were  
 22 not able to fully use their properties. Property owners and tenants, for instance, had to lock and  
 23 barricade their garages and loading areas at risk of having CHOP participants entering and  
 24 vandalizing them.

10. The property owners, businesses, and residents in the area suffered ever-increasing property damage and economic loss every day that CHOP existed in their neighborhood, all because of the City's active support, encouragement, and endorsement of the occupation. In particular, Seattle Mayor Jenny Durkan provided the CHOP participants with not just tangible resources but also a de facto stamp of approval. Her tweets, interviews, and other statements made it clear that the City was fully aware of what is happening, had no plan or timeline for remedying the ongoing harm, and in fact viewed the occupation of Capitol Hill as something akin to a perpetual block party, which the City wanted to support because of the viewpoints of CHOP participants.

11. Plaintiffs and others repeatedly pleaded with Mayor Durkan and others to cease enabling the destruction of their property and the imminent dangers posed to them and their neighborhood. But the City did not listen, or did not care, and it was only after Plaintiffs had to resort to litigation to make themselves heard that the City finally took action to disband CHOP

12. Again, this case is not about Plaintiffs' agreement or disagreement with the inspiration for CHOP, or the viewpoints expressed by the people occupying that area. Instead, it is about the City's active, knowing endorsement and support of a destructive occupation of a neighborhood to the detriment of the well-being of those who live and work in that neighborhood.

#### **IV. FACTUAL ALLEGATIONS**

## A. The Creation of CHOP

34.36. On June 8, 2020, with protests ongoing near the East Precinct, the City emptied the East Precinct of all weapons and valuables, and then abandoned it.

35.37. The City left behind at the precinct and in the surrounding areas large barriers that had been used in previous days to try to limit the movements of protesters.

36.38. Predictably, almost immediately after the SPD abandoned the precinct and the barriers, CHOP participants used the barriers to block off streets in the area and create a “no-cop” zone. Initially, the blocked-off area extended to all streets within one block from the precinct.

37.39. Without any police presence, the CHOP participants organized themselves, declared the area “Free Capitol Hill,” and stationed guards by the barriers that the City had abandoned, thereby creating borders for the occupied area. The area later expanded, was referred to as CHAZ for several days, and eventually became known as CHOP.

38.40. CHOP's unofficial boundaries stretched north to East Denny Way, east to 13<sup>th</sup> Avenue, south to East Pike Street, and west to Broadway. It encompassed the entirety of Cal Anderson Park and sixteen city blocks in all.

## B. The Activities of CHOP Participants

39.41. After the SPD vacated Capitol Hill, the CHOP participants claimed the area as their own with a physical presence and a loose form of governance and justice.

40.42. CHOP participants have maintained borders with barriers and people patrolling the perimeter, as well as vehicles parked in the middle of rights-of-way.

1       41.43. Many CHOP participants lived on the streets and sidewalks and in Cal Anderson  
2 Park, in tents such as the following:

11       42.44. They painted graffiti on most available surfaces, and if a property owner painted  
12 over the graffiti, the graffiti was typically replaced within a few hours. CHOP participants even

1 threatened business owners with retaliation if they painted over graffiti. Examples of this pervasive  
2 graffiti include the following:

1        43.45. CHOP participants created various unpermitted, ad hoc food dispensaries and  
 2 stores on public property in front of and near private residences and businesses.

3        44.46. CHOP participants created a “medical tent” at the Rancho Bravo restaurant under  
 4 a festival tent.

5        45.47. On occasion, CHOP participants acted as a replacement police force, including by  
 6 demanding that business owners release individuals who were caught committing crimes and by  
 7 attempting to perform their own crime investigations.

8        46.48. CHOP participants occupied the streets and sidewalks 24 hours a day, and had  
 9 speeches, debates, movies, music, and various other activities—including, in some instances,  
 10 illegal fireworks shows—on the streets and sidewalks. Disturbances and noise pollution extended  
 11 well past 10 p.m. and typically into the early morning of the next day.

12        47.49. CHOP participants were observed carrying guns in the public streets and parks in  
 13 broad daylight.

14        48.50. Cal Anderson Park was one of the focal points of CHOP. The approximately 7-acre  
 15 park, which was ostensibly owned by the City, was entirely handed over to the CHOP participants.  
 16 The City supported and enabled CHOP’s occupation of the park through providing  
 17 washing/sanitation facilities, portable toilets, nighttime lighting, and other material support.

18        49.51. As a result of the City’s actions, Cal Anderson Park was transformed into a massive  
 19 tent city for CHOP participants, as shown here:

1       50.52. Members of the public could not use Cal Anderson Park. CHOP's control of the  
 2 park continued unabated until July 1, 2020. Local residents attempting to take pictures too close  
 3 to Cal Anderson Park were threatened by CHOP participants, who have said they would steal their  
 4 smartphones.

12       51.53. CHOP participants even built makeshift gardens on the park's lawn to grow food  
 13 for CHOP. The City handed over public property in the park for this use, as shown here:

22       52.54. CHOP's control of Cal Anderson Park was a central nuisance to local residents and  
 23 businesses. Many of the Plaintiffs' properties overlook, border, or are adjacent to the park. Not  
 24 only were those residents deprived of their use of the park, but problems from CHOP's  
 25 encampments in the park spilled over into the entire neighborhood. The hundreds of CHOP

1 participants in the park created excessive noise, even late into the night, in violation of the City's  
 2 ordinances. Participants set off fireworks at all hours of the day and night. Trash, feces, and other  
 3 refuse built up in the park, affecting the whole area. Worst of all, Cal Anderson Park was one of  
 4 the most violent areas of CHOP. Local residents saw individuals in Cal Anderson Park carrying  
 5 firearms.

6 **C. The Effects of CHOP on Plaintiffs and the Class**

7 53.55. The impacts on Plaintiffs and the Class were extensive. The experiences of each  
 8 Plaintiff are described in detail below. However, all Plaintiffs and Class members have in common  
 9 at least the following harms: a lack of public safety assistance and substantially impaired access to  
 10 and use of their properties. **Lack of public-safety assistance even in life-threatening**  
 11 **circumstances.**

12 54.56. The City's endorsement and recognition of CHOP went so far that the SPD adopted  
 13 a policy and practice of not entering the area except in the case of life-threatening crimes, and even  
 14 then, the SPD response was weak and delayed.

15 55.57. On information and belief, the SPD considered the area from Denny Way to Union  
 16 Street and Thirteenth Avenue to Broadway to be a "no response" zone where the SPD would not  
 17 respond to anything but the most serious crimes.

18 56.58. And even in the most serious situations, the SPD's response was unconscionably  
 19 delayed. As SPD Chief Carmen Best explained on June 11, 2020, as she stood next to Mayor  
 20 Durkan:

21 SPD has a responsibility to provide public safety services to the  
 22 entire East precinct and the City. The actions of a small group cannot  
 23 and should not deprive an entire segment of our community from  
 24 public-safety services. In the first day of the SPD not having access  
 25 to the precinct, response times for crimes in progress were over  
 fifteen minutes, about three times as long as the average .... If that  
 is your mother, or your sister, your cousin, your neighbor's kid that  
 is being raped, robbed, assaulted, and otherwise victimized, you're  
 not going to want to have to report that it took the police three times

1 longer to get there to provide services to them. The difference in the  
 2 amount of time could protect someone's life and prevent a violent  
 3 attack.

4 57.59. Recent events in CHOP demonstrate that if anything, Chief Best was being  
 5 conservative in her description of the public-safety emergency in CHOP.

6 58.60. At approximately 2:20 a.m. on June 20, 2020, there were two people shot in CHOP.  
 7 At least one of the shootings happened at or near the intersection of Tenth Avenue and Pine Street,  
 8 around the corner from the abandoned East Precinct. One of the victims died before reaching the  
 9 hospital. The second was admitted with life-threatening injuries. No suspects have been identified  
 or taken into custody.

10 59.61. Raw video streamed from the area shortly after that shooting demonstrates the  
 11 enormity of the risk created by the City for anyone who lives or works in CHOP. That video clearly  
 12 captured the following:<sup>2</sup>

- 13 a. The video appears to start a couple of minutes after the shooting.
- 14 b. One shooting victim was taken to the CHOP "medic tent" located in a  
 15 parking lot under a festival tent.
- 16 c. No professional medics arrived until approximately 15 minutes into the  
 17 video to tend to the first shooting victim.
- 18 d. No police were in the area until approximately 18 minutes into the video,  
 19 when cars and lights and can be seen several blocks away, and police can be heard on  
 20 megaphones demanding that barriers be moved to allow the police to enter.
- 21 e. Approximately 19 minutes into the video, a small phalanx of approximately  
 22 8 police officers entered the area on foot and arrived in the area of the medical tent,  
 23 apparently for the purpose of trying to locate and extract the first shooting victim.

25  
 2 <https://www.facebook.com/WWConverge/videos/297548387941384/?v=297548387941384>

f. The phalanx of officers was immediately surrounded, yelled at, and pursued by CHOP participants.

g. One police car finally entered the area approximately 20 minutes into the video.

h. The police did not engage with the crowd and promptly left the area, after which CHOP participants created a human chain across the street to bar any further entry.

i. There was a second shooting victim in CHOP located a couple of blocks away. It appears that no medics or police responded at all to the location of the second victim.

j. Approximately 35 minutes into the livestream video, the second victim was placed into a plain white cargo van and presumably taken to the hospital. A voice can be heard explaining that Medic One drove by but did not come to the assistance of the person who ended up in the white van.

k. Shortly after the second victim was driven away, private citizens began looking for bullet casings. No police were on the scene to perform any investigation in the immediate aftermath of the shooting.

60.62. On June 21, 2020, another shooting occurred in the area at approximately 11:00 at night. There was no police or medic response, and the shooting victim was transported to the emergency room by private vehicle.

61.63. In a press conference with Mayor Durkan on June 22, 2020, Chief Best reiterated the seriousness of the public-safety situation, stating:

there are countless individuals who are in the CHOP that are there to engage, as the Mayor said earlier, in peaceful demonstrations. But there are also groups of individuals engaging in shootings, a rape, assaults, burglary, arson, and property destruction, and I have their police reports right

1 here. [\*Holding up a stack of papers\*] I'm not making it up.  
 2 These things have happened. We cannot walk away from the  
 3 truth of what is happening there. This is not about politics  
 4 and I'm not a politician. This isn't a debate about First  
 5 Amendment rights. This is about life or death. So we need a  
 6 plan.

7 62.64. In the early hours of June 29, yet another shooting occurred in the area. This  
 8 shooting, at 12th and Pike, left a 16-year-old dead and a 14-year-old in critical condition.

9 63.65. According to reports, the shooting began when "CHOP security" opened fire on a  
 10 white Jeep that had crashed into the CHOP barricades. Reports indicate that over a dozen shots  
 11 were fired.

12 64.66. The City did not provide emergency medical services at the scene of the shooting  
 13 in the CHOP area. Instead, one of the victims was transported by private vehicle out of the CHOP  
 14 area and to a hospital. The other had to be taken "to a meeting point with Seattle Fire Department  
 15 Personnel, who then transported the victim to Harborview Medical Center."

16 65.67. By the time the police reached the scene of the shooting at 12th and Pike to begin  
 17 an investigation, much of the key evidence had already been tampered with or lost. As the SPD  
 18 blotter put it, when police arrived on the scene to inspect the Jeep, "it was clear the crime scene  
 19 had been disturbed." No suspects have been identified or placed into custody.

20 66.68. That same night, and possibly in connection with the same incident, bullets were  
 21 shot into the Onyx Condominium building, with at least one bullet coming within a foot of a  
 22 resident asleep in bed.

23 67.69. Over the course of nine days, there were two homicides in CHOP. There had been  
 24 no homicides in Capitol Hill in 2020 before CHOP started, and in all of 2019, there were only  
 25 three homicides in the entire Capitol Hill neighborhood.

## 2. Impeded access to and use of property

68.70. All Plaintiffs and Class members did not have the ability to use public rights of way, including streets and sidewalks, to access their homes, businesses, and properties.

69.71. CHOP participants regularly moved the City-provided barriers and other large objects wherever they wished to block traffic, sidewalks, and all other manner of ingress and egress.

70.72. In many cases, this meant people could not use public streets and rights-of-way to enter or exit their homes or businesses, clients cannot visit businesses, and businesses could not get deliveries. The difficulties were magnified for the elderly and the disabled.

71.73. The barriers and the constant presence of CHOP participants also meant that residents, property owners, and businesses did not have full use of their property. If they could access their property, safety necessitated that many of them keep their doors locked. Many portions of property that were normally freely accessible—such as garages—had to be shut at all hours or else CHOP participants would vandalize them.

72.74. Garbage and recycling services could not enter the area due to the myriad of barricades and CHOP border guards, forcing residents and businesses to pile up refuse without any idea when they might be able to discard it.

73.75. Residents and businesses in the area were unable to receive deliveries at their homes because delivery companies could not or would not enter CHOP and the surrounding area because of barriers and safety concerns.

74.76. Residents in and near CHOP were forced to endure loud noises, music, and even fireworks at all times of the day and night.

75.77. Residents in and near CHOP did not have free and safe access in or out of their homes.

1       76.78. Businesses were unable to operate normally, or even open, because of blocked  
 2 access and concerns for the safety of their suppliers, employees, and customers.

3       77.79. All of this is caused extensive economic and other harm to Plaintiffs and all other  
 4 members of the Class.

5       78.80. As Chief Best stated during a joint press conference with Mayor Durkan on the  
 6 afternoon of July 1, 2020:

7           If you have watched the news footage, you have seen how absolutely  
 8 devastating the damage to this neighborhood is. I can tell you  
 9 personally, after walking through the area, we walked the full perimeter,  
 10 I was just stunned by the amount of graffiti, garbage, and property  
 11 destruction. As we walked around the neighborhood, many people were  
 12 coming out of their apartments and homes and thanking the officers  
 13 profusely for being there and for helping to clean out the area. So, we  
 14 don't even know how much trauma people were experiencing because  
 15 of what was happening in that area.

16           **3. Plaintiffs' individual stories**

17       79.81. The impact of CHOP on residents, businesses, and property owners is best seen  
 18 through the stories of Plaintiffs, who are suffering from the City's policies every day.

19       80.82. Each Plaintiff and the Class has suffered—and continues to suffer irreparable  
 20 economic and non-economic injury as a direct result of CHOP participants' presence on Capitol  
 21 Hill and its aftereffects. The City's support for CHOP enabled, aided, and abetted the ongoing  
 22 harm to each of the Plaintiffs and members of the Class.

23       81.83. Although the City cleared CHOP on the morning of July 1, 2020, Plaintiffs and the  
 24 Class have continued to suffer harm due to restrictions in the area resulting from the existence of  
 25 CHOP, the continued public perception of the area as dangerous and unstable, and lost business  
 that may never return. Plaintiffs expressly reserve the right to seek recovery for such ongoing  
 harm.

1       82.84. *Plaintiff Car Tender.* Plaintiff Car Tender—a local small business with one  
 2 location—has suffered a dramatic drop off in its auto-repair business since the establishment of  
 3 CHOP. Since early June 2020, business revenues declined around 40% from the prior months of  
 4 April and May 2020. This drop-in sales actually understates Car Tender’s losses, however, as April  
 5 and May’s revenues were already lower due to the height of the COVID-19 pandemic. In late May  
 6 2020, Car Tender’s revenues began an upswing coming out of the shutdown, which was suddenly  
 7 interrupted by the sharp drop in customers caused by CHOP.

8       83.85. Car Tender’s loss of business revenue is a direct result of CHOP. Access to the  
 9 shop has at times been substantially impeded due to barricaded streets. Further, customers told Car  
 10 Tender that they would not bring their cars into the shop, out of fear of CHOP’s location just down  
 11 the street from Car Tender. Customers even came to the shop only to immediately turn around and  
 12 leave, because they were fearful to leave their cars at Car Tender’s location. Because of the City’s  
 13 enablement of CHOP, Car Tender is struggling to make ends meet.

14       84.86. Car Tender’s premises were also vandalized by CHOP participants. CHOP  
 15 participants tore down the fence around Car Tender’s car lot, permanently damaging the cement  
 16 post such that an entire new fence will need to be constructed. They painted and vandalized with  
 17 graffiti the side of Car Tender’s building. Car Tender was fearful that if the company tried to cover  
 18 up the graffiti, they would face reprisals from CHOP participants, as CHOP participants threatened  
 19 to burn down other properties in the area when owners attempted to cover or clean up graffiti.

20       85.87. Car Tender’s customers were understandably concerned for their safety, and with  
 21 good reason. Indeed, Car Tender’s shop was recently broken into by a man who assaulted the son  
 22 of one of Car Tender’s owners with a knife. The details of the incident demonstrate the extreme  
 23 risk of harm to which the City has exposed Plaintiffs and the Class.

24       86.88. On June 14<sup>th</sup> at around 9:30 p.m., a person broke into Car Tender’s building, armed  
 25 himself with a knife and a spike that he found inside the building, and lit a fire in the shop. After

1 receiving a call from a neighbor alerting them to the break-in, Car Tender's owner and son called  
 2 9-1-1 and then went to the premises themselves, where they found the shop's garage had been  
 3 broken into. They found that the property had also been vandalized with Purell hand sanitizer,  
 4 which the intruder had dumped everywhere to use as fuel for the fire he had started. That fire was  
 5 still burning when the owner and his son arrived, but they were able to extinguish it. The intruder  
 6 was still on the premises, however, and he accosted the owner's son with the knife and spike and  
 7 abruptly assaulted him by hitting him in the chest.

8 87.89. Although blindsided by the intruder's sudden unprovoked attack, the owner and his  
 9 son were able to wrestle the intruder to the floor in a scuffle. The intruder meanwhile tried to cut  
 10 the son's femoral artery and landed two large cuts to his clothing on the side of his leg. He also  
 11 repeatedly attempted to stab the son with the spike.

12 88.90. After subduing the intruder, Car Tender's owner called 9-1-1 again, reporting the  
 13 arson, burglary, and assault, requesting police assistance at the scene. Other neighbors also called  
 14 9-1-1. But, despite the multiple 9-1-1 calls. the police never responded to the scene that evening.

15 89.91. Several CHOP participants on the street who witnessed the incident approached the  
 16 shop and demanded the release of the apprehended intruder. Car Tender's owner at first insisted  
 17 that he was waiting for the police to come to the scene. An angry mob of CHOP participants,  
 18 perhaps as many as 500 although possibly more, gathered around Car Tender's fence and broke it  
 19 down, insisting on the release of the intruder. Members of CHOP mob insisted that the police  
 20 would never dare respond. Faced with a threat of mob violence, Car Tender's owner and son  
 21 handed the intruder over to CHOP participants.

22 90.92. Because the police refused to protect Car Tender's property from burglary and  
 23 arson, Car Tender's owner was forced to sleep at the shop in an effort to protect it. Car Tender's  
 24 owner tried to contact Mayor Durkan's office to report his concerns as a resident and small  
 25 business owner but received no response.

1        91.93. Car Tender's experience was not unique. Other local businesses also suffered from  
 2 the City's actions.

3        92.94. *Plaintiff Richmark Label.* Plaintiff Richmark Label is a local family-owned  
 4 business on Capitol Hill that runs label-printing operations out of a manufacturing facility on Pine  
 5 Street, directly adjacent to CHOP. Richmark Label's business has been negatively affected as a  
 6 direct consequence of CHOP.

7        93.95. CHOP frequently blocked access to the 11<sup>th</sup> Avenue side of Richmark Label's  
 8 building, where Richmark Label maintains a loading dock for receiving deliveries and shipping.  
 9 Richmark Label must receive deliveries on an ongoing basis in order to maintain its business as  
 10 well as make shipment of its products. Richmark Label's ability to use its loading dock was  
 11 substantially impeded, as the 11<sup>th</sup> Avenue access was frequently blocked by barricades, or because  
 12 CHOP participants engaged in intimidation tactics, or because of other CHOP activities. Some  
 13 delivery drivers reported to Richmark Label that they would not even attempt delivery to their  
 14 building, because it is unsafe. Several delivery drivers who attempted delivery were stopped and  
 15 accosted by CHOP participants. Richmark Label's usual shippers refused to deliver and UPS  
 16 recently elected not to come and pick up a pallet of wine labels for shipment, one of Richmark  
 17 Label's largest sources of business. On other occasions, labels shipped late, incurring costs and  
 18 straining Richmark Label's business relationships with its customers.

19        94.96. The City's support of CHOP put Richmark Label's business at risk, as well as the  
 20 livelihood of its over 70 employees.

21        95.97. This loss to business is not the only harm Richmark Label is suffering due to CHOP.  
 22 Richmark Label owns its facilities, a historic building from 1927, on which the company paid to  
 23 have an artistic mural painted as a gift to the whole Capitol Hill community. That mural was  
 24 vandalized by CHOP participants beyond repair, whereas before CHOP's occupation there had  
 25

1 only been minor instances of occasional graffiti. Now the wall will have to be repaired and  
 2 repainted.

3 96.98. Richmark Label also owns a parking lot on the 11<sup>th</sup> Avenue side of the building. It  
 4 rents the parking spaces during non-business hours. Richmark Label was forced by CHOP to shut  
 5 the parking lot down because the roads for accessing the parking lot were blocked and customers  
 6 are and were afraid of entering the area. The company is receiving none of the usual rental income  
 7 it typically receives from the parking spaces. The parking lot also typically serves as customer  
 8 parking for Richmark Label and several of its tenants who rent space in the company's building.  
 9 But, due to CHOP and its aftereffects, both Richmark Label and its tenants are being deprived of  
 10 customer parking.

11 97.99. Unauthorized cars also parked in Richmark Label's lot. Richmark Label contacted  
 12 towing companies, but all refused to tow the cars because CHOP made the area unsafe. Richmark  
 13 Label called the police on multiple occasions regarding the unauthorized cars parked on their  
 14 property, but the police would not act. Richmark Label called 9-1-1 regarding the unauthorized  
 15 cars trespassing on their property, only to be told at least twice that SPD was not responding to  
 16 calls in the area.

17 98.100. Like Plaintiff Car Tender, Richmark Label was threatened with violence by CHOP  
 18 participants. When CHOP first arose, Richmark Label allowed a local news crew to access its roof  
 19 to film the protests and CHOP. SPD officers then also accessed Richmark Label's roof to assess  
 20 the situation, where they were photographed by CHOP participants. Those photographs were then  
 21 posted online, leading to a social media frenzy against the company. Subsequently, Richmark  
 22 Label's employees reported that they did not feel safe coming to work, because of the threat of  
 23 harassment and violence from CHOP participants. CHOP participants set up cones across 11<sup>th</sup>  
 24 Avenue, which must be crossed to access Richmark Label's building. CHOP participants stopped  
 25 people and required them to answer questions about who they are and what they were doing in the

1 area before letting them pass. The result is that customers, shippers, and employees were scared to  
 2 even enter the area.

3 99.101. Richmark Label was in contact with the Mayor's office, but the office did not return  
 4 the company's calls, offer any assistance, or provide any opportunity to challenge the City's  
 5 decision to authorize the ongoing occupation of the CHOP area. The City's support of CHOP  
 6 through encouragement and material support enabled CHOP's threat to Richmark Label's  
 7 business.

8 100.102. *Plaintiff Northwest Liquor and Wine.* Northwest Liquor and Wine—a one-location  
 9 store specializing in high-end wine, beer, and spirits—is yet another local small business that  
 10 suffered as a result of the CHOP occupation. After record sales in May 2020, the store had its  
 11 worst month in June 2020 since opening at that location in 2012. In June 2020, the company's  
 12 sales were down approximately 70% from average.

13 101.103. Customers are unable to visit the store because the surrounding streets have been  
 14 blocked off to traffic. Northwest Liquor and Wine has access to an adjacent parking garage, but  
 15 they have been forced to close it to prevent CHOP participants from camping out in it and even  
 16 starting fires. CHOP barricades also meant that suppliers were unable to make deliveries.

17 102.104. The owners and employees did not feel safe, as there were disturbances in the store  
 18 and people on the streets nearby carrying guns. Northwest Liquor and Wine normally maintains  
 19 around 4 to 6 employees. Due to CHOP, its employees were understandably too scared to come to  
 20 work out of concern for their safety.

21 103.105. *Plaintiff Magdalena Sky (Tattoos and Fortune).* Plaintiff Magdalena Sky is an  
 22 activist and supporter of Black Lives Matter. Ms. Sky is the sole proprietor of Tattoos and Fortune.  
 23 Ms. Sky is autistic and has worked tirelessly for years using her unique artistic skills to support  
 24 and grow her business. Her business is her own safety net and primary source of income. CHOP  
 25 ripped that business out from under her feet.

1       104.106. Like many other local businesses, Tattoos and Fortune is sinking because of the  
 2 City's support of CHOP. Ms. Sky's tattoo and fortune telling services depend on regular client  
 3 access to its Capitol Hill studio. Tattoo and Fortune's studio is within CHOP, which made client  
 4 access impossible. The barricades and encampments blocked both vehicle and foot access to the  
 5 studio, as well as delivery of vital business supplies, just as they blocked the roads, parking,  
 6 doorways, and driveways of many local businesses. As a result, Ms. Sky was forced to close  
 7 Tattoos and Fortune's doors. Without clients, Tattoos and Fortune cannot generate any revenue.  
 8 In addition, Tattoos and Fortune suffered from the lack of trash service, access for emergency  
 9 services, and police protection. Even if Ms. Sky's clients had access to the studio, many were  
 10 fearful to come because of CHOP. To reach her business, her clients would have had to cross  
 11 barricades that CHOP participants set up, where they might be stopped, questioned, and/or  
 12 harassed by CHOP participants, as others were.

13       105.107. Ms. Sky herself witnessed theft and looting from other local businesses and feared  
 14 CHOP participants might steal and loot from her business, should she even try to open her studio's  
 15 doors. On one occasion, Ms. Sky was followed and harassed, like so many others have been due  
 16 to the rise in harassment and sexual assault in the area since CHOP began. The fear of violence  
 17 caused Ms. Sky stress, exacerbated by her autism. The City ignored her concerns, as with the  
 18 mental health of many local residents and business owners. Her business—her primary means of  
 19 livelihood—is losing all its revenue. Some of her clients may never return, as they canceled  
 20 appointments and began seeking tattoo and fortune services elsewhere.

21       106.108. Capitol Hill is a diverse neighborhood, known for its minority presence and as a  
 22 center for Seattle' LGBTQ residents. Many small business owners in the area are minority-owned  
 23 and suffering loss of property and business from CHOP, just as Tattoos and Fortune is. The City  
 24 and CHOP did not respond to concerns of small businesses like Ms. Sky's Tattoos and Fortune.  
 25

1 Ms. Sky, along with other local business owners, had no forum in which to voice her concerns and  
 2 try to stem her businesses losses accruing each day CHOP and its aftereffects continue.

3 107.109. *Plaintiff Bergman's Lock and Key.* Plaintiff Bergman's Lock and Key is a small  
 4 business that has operated on Capitol Hill since 1956.

5 108.110. Bergman's Lock and Key's employees were not safe to come to work due to CHOP.  
 6 Several on their way to or from work were followed by CHOP participants wielding baseball bats,  
 7 who threatened them not to come into the area. To protect its property from CHOP participants,  
 8 Bergman's Lock and Key was forced to board up its premises. Its building was tagged with graffiti  
 9 and vandalized. Because CHOP became more dangerous as the days progressed, the company  
 10 closed around 3:00 p.m., two and half hours before its normal 5:30 p.m. closing time.

11 109.111. Bergman's Lock and Key is suffering financially. Its customers cannot access the  
 12 store due to roadblocks, barricades, and lack of parking caused by the City's support of CHOP.  
 13 Other customers are simply too scared to come, because of Bergman's Lock and Key's proximity  
 14 to the CHOP zone. Customers called citing their fears and the company was forced to refer them  
 15 to competitor businesses outside of the CHOP area. Bergman's Lock and Key's revenues declined  
 16 in June 2020 by 60% due to CHOP. Bergman's Lock and Key was able to continue working as an  
 17 essential business during the COVID-19 shutdown, but CHOP stopped nearly all customers from  
 18 coming in. Business deliveries and shipments were also routinely delayed.

19 110.112. The City actively supported CHOP participants near Bergman's Lock and Key. The  
 20 City provided cleaning stations for CHOP participants, large stainless-steel sinks, and portable  
 21 toilets.

22 111.113. Bergman's Lock and Key tried to complain to the City, but received no response.

23 112.114. *Plaintiff Matthew Ploszaj.* Plaintiff Matthew Ploszaj has lived for approximately 8  
 24 years in an apartment he leases at 1210 E. Pine Street. His residence was within CHOP, next to  
 25 the Seattle Police Department's East Precinct.

1       113.115. During the existence of CHOP, there were several times that Mr. Ploszaj was unable  
 2 to access his apartment because of obstructions created by CHOP and CHOP participants. Those  
 3 obstructions included people, physical barriers, camping tents, festival tents, makeshift  
 4 “storefronts,” and other structures on the streets and sidewalks around his apartment building.

5       114.116. Because of these obstructions and because he feared for his safety, Mr. Ploszaj was  
 6 forced on several occasions during the existence of CHOP to leave the area and stay elsewhere in  
 7 Seattle.

8       115.117. Mr. Ploszaj’s apartment building was broken into four times during the existence  
 9 of CHOP, even though it had never been broken into at any other time during his previous 8 years  
 10 at that address. The Seattle police were contacted each time the apartment was broken into, but  
 11 the police did not respond on any of those occasions.

12       116.118. On the evening of June 29, 2020, an apartment in Mr. Ploszaj’s building was  
 13 burglarized. Mr. Ploszaj and his neighbor contacted the police after the burglary, at approximately  
 14 10:30 p.m. Police told them that they would not respond to the building because of its location  
 15 within CHOP and requested that Mr. Ploszaj and his neighbor meet them at 20th and Madison  
 16 (more than 8 blocks away) to make a report. One of the residents reported to that location. After  
 17 an hour had passed since their initial phone call, no police had responded, and Mr. Ploszaj and his  
 18 neighbor called police again. They were able to make a report on the phone during this second  
 19 phone call, but no officers responded to investigate.

20       117.119. On June 25, 2020, a CHOP participant climbed atop Mr. Ploszaj’s building and  
 21 threatened to kill himself. Mr. Ploszaj called 9-1-1 numerous times to seek assistance. He was  
 22 asked whether he wanted to meet an officer somewhere outside CHOP because police would not  
 23 respond to his address. Mr. Ploszaj declined and continued to call 9-1-1 several times during the  
 24 90 minutes that the individual was threatening suicide. The 9-1-1 operators thanked him for the  
 25 updates but police never responded to assist.

1       118.120. Plaintiff Argento LLC. Plaintiff Argento owns and operates Café Argento. Argento  
 2 suffered lost income and business because of CHOP. During the existence of CHOP, the presence  
 3 of numerous CHOP participants wielding guns forced Argento to open later and close earlier  
 4 because of concerns for the safety of Argento employees and customers.

5       119.121. Argento customers were also unable to access the café, or were reluctant to come  
 6 to the café, during the existence of CHOP, because of the numerous blockades and other obstacles  
 7 on the public streets and sidewalks outside the café. Customers and employees were also harassed  
 8 on public streets and sidewalks by CHOP participants, and employees were often too afraid to  
 9 come to work.

10      120.122. Access to the café for the disabled was especially difficult because of the numerous  
 11 blockades and other obstacles placed and created by CHOP participants. Argento's owner, Faizel  
 12 Khan, contacted the Seattle Department of Transportation about the inaccessibility for disabled  
 13 persons, but the Department of Transportation did nothing to help improve the access.

14      121.123. CHOP participants frequently came into the café in order to pressure Mr. Kahn and  
 15 his employees to support the political views of CHOP and CHOP participants.

16      122.124. CHOP participants regularly demanded to use the café restrooms and often refused  
 17 to leave, and on occasion left behind used needles in the bathroom.

18      123.125. Mr. Kahn called 9-1-1 four times regarding incidents at the café during the  
 19 existence of CHOP, but he was told that police would not respond to his area unless there was a  
 20 violent incident.

21      124.126. CHOP participants regularly deposited human waste and other waste on and in the  
 22 streets, sidewalks, buses, patios, doorways, and other areas around Café Argento.

23      125.127. During the existence of CHOP, Argento was unable to use City services for trash  
 24 and recycling, and could not receive package deliveries from UPS, Federal Express, or Amazon.

1        126.128. Plaintiff Onyx HOA. Plaintiff Onyx HOA is an association of Capitol Hill residents  
 2 and condo owners in the Onyx Condominium building. The HOA and its residents suffered harm  
 3 from CHOP. The Onyx Condominium's residents felt unsafe and were constantly barraged by  
 4 excessive noise, fireworks, and other nuisances. The building was subject to graffiti and other acts  
 5 of vandalism at the hands of CHOP participants. The HOA and its residents called 9-1-1 but  
 6 received no response or direction from the City. The HOA's insurer threatened to raise rates and  
 7 premiums if CHOP was not disbanded. Tenants made plans to leave, threatening the funding of  
 8 the HOA. All tenants have lost value in terms of property values as a direct result of the City's  
 9 support of CHOP.

10       127.129. The Onyx Condominiums are on the border of CHOP. As a result, Onyx  
 11 Condominium residents' access to their own homes was impeded, due to barricades on the public  
 12 streets. For example, the president of Onyx HOA, individual Plaintiff Wade Biller, was stopped  
 13 by CHOP participants at the barricades and told he was not allowed to drive through. He was  
 14 stopped by a CHOP participant while trying to drive down 12<sup>th</sup> Avenue to access his home. At  
 15 other times, so-called "security" for CHOP came to the barricades and offered to escort him into  
 16 the area to access his home so that CHOP participants would not vandalize his car.

17       128.130. CHOP participants stole an expensive compact dumpster bin belonging to Onyx  
 18 HOA. Onyx HOA's president, Mr. Biller, demanded the bin back, but CHOP participants refused  
 19 to return it. During negotiations for return of the bin, Mr. Biller was assaulted by a CHOP  
 20 participant who violently kicked him in the back as he tried to leave the scene. The HOA president  
 21 called the police, but the police did not respond to the incident of battery and assault for more than  
 22 90 minutes, by which point the perpetrator was long gone. Eventually, when CHOP participants  
 23 had access to City-owned barricades to encircle CHOP, the compactor bin was returned.

24       129.131. Onyx HOA was forced to hire additional security to protect the property and its  
 25 residents from the CHOP participants. At any time, two to four armed guards had to be present, as

1 some CHOP participants in the area were violent and armed with guns. The HOA's residents lived  
 2 under constant fear and threat to their wellbeing and property.

3 130.132. Mr. Biller, in his capacity as Onyx HOA's president, wrote to Mayor Durkan on  
 4 June 11, 2020, about the plight of the building's residents. He wrote: "We are fending for ourselves  
 5 as residents and businesses in the Capitol Hill neighborhood. We have had to hire private security  
 6 to help keep tabs on the escalating issues . . . I ask that you take a strong stance and allow the  
 7 police to reclaim our streets for the residents who live here and don't [want] to become part of this  
 8 anti-police and anti-government movement." Mayor Durkan did not respond or provide any  
 9 opportunity to challenge the City's policies supporting the occupation of the CHOP area.

10 131.133. In the early morning hours of June 29, bullets were shot into the Onyx building,  
 11 with at least one coming within a foot of a resident asleep in bed.

12 132.134. *Madrona Real Estate Plaintiffs.* Plaintiffs Madrona Real Estate Services, Madrona  
 13 Real Estate Investors IV, Madrona Real Estate Investors VI, and 12<sup>th</sup> and Pike Associates LLC  
 14 (collectively "Madrona Real Estate") suffered economic loss from CHOP, including in the form  
 15 of reduced rents, property damage, and a decline in property values. Their tenants—Capitol Hill's  
 16 local residents and businesses—were also harmed and harassed.

17 133.135. Madrona Real Estate owns and/or manages multiple residential and commercial  
 18 buildings on Capitol Hill in and around CHOP. The presence of CHOP greatly reduced the value  
 19 or property in what was, until recently, one of the most popular and expensive neighborhoods in  
 20 Seattle.

21 134.136. A resident in a building managed by Madrona Real Estate recently called 9-1-1 to  
 22 respond to an incident of violence near Madrona Real Estate's building at 1414 12<sup>th</sup> Avenue. The  
 23 resident had witnessed from her condo's patio a fight in the street occurring at or near the  
 24 intersection of 12<sup>th</sup> Avenue and Union. The resident saw what appeared to be a man and a woman  
 25 fighting over a child, causing the woman to run into a nearby building and barricading the door to

1 block the assaulting man. The resident called 9-1-1, who took her name and number. She waited  
 2 for hours, but police never responded to the incident or called her back. This is just one example  
 3 of the lawlessness the City enabled in the area. The same resident normally walked her dog in the  
 4 neighborhood, but was hesitant to leave her residence. She witnessed CHOP participants openly  
 5 doing hard drugs on the street around her building with impunity due to the lack of any SPD  
 6 presence.

7 135.137. The same building at 1414 12<sup>th</sup> Avenue managed and owned by Madrona Real  
 8 Estate was broken into. It was vandalized in various ways, including by pulling out pipes. In one  
 9 instance, the fire alarm was activated, which set off the sprinkler system (causing evacuation of  
 10 the building's over 100 residents and causing flooding in the building garage). Residents also  
 11 reported that boxes and other items were stolen. During the CHOP occupation, an individual  
 12 trespassed on the property and defecated in building's lobby.

13 136.138. At other locations in the area, Madrona Real Estate's residents reported that their  
 14 condos were broken into or burglarized by CHOP participants. CHOP participants harassed  
 15 residents, vandalized the Madrona Real Estate's property, and left human feces on multiple  
 16 premises.

17 137.139. SPD refused to help Madrona Real Estate protect private property or otherwise to  
 18 help address these problems. At considerable expense, Madrona Real had to hire increased private  
 19 security to protect its residents and property. At the building where the fire system was vandalized,  
 20 Madrona Real Estate incurred considerable expense in fixing the damage to property and had to  
 21 pay for a fire watch to be instituted.

22  
 23  
 24  
 25

1       138.140. On the morning of June 23, 2020, one of Madrona Real Estate's commercial  
 2 tenants, a restaurant located at 12<sup>th</sup> Avenue and Pike Street, near but not directly in the CHOP  
 3 blockaded area, was attempting to access its location in an effort to try to reopen. However, the  
 4 entrances and stoop area in front of the restaurant were entirely blocked by an encampment erected  
 5 by a CHOP participant. The tenant called the police, asking for assistance in removing trespassers  
 6 from its private property, so that it could access and open the property. The police said that they  
 7 would not respond because they "are not allowed to come within two blocks of CHOP".

21       139.141. Clearly, the City's refusal to even respond to assaults in the neighborhood, let alone  
 22 take any measures to ensure public order and access, detracted from the area's desirability for  
 23 current and potential residents and businesses. At a new property Madrona Real Estate has opened  
 24 in the area with 45 residential units, only 3 have been leased. Up until the emergence of CHOP the  
 25 area was among the trendiest location for residents, but, since the emergence of CHOP, Madrona

1 Real Estate has suddenly had no interest in the 42 unleased units, because no one is interested in  
 2 moving to the area.

3 140.142. Madrona Real Estate's residents and tenants face other hardships as well. Many of  
 4 the area's millennial residents regularly shop online, but, according to Madrona Real Estate's  
 5 residents and tenants, Amazon would not deliver packages in area, due the barricaded streets and  
 6 presence of CHOP participants. The inability to purchase or ship through Amazon is even more  
 7 acutely felt in the midst of the COVID-19 pandemic, when many people rely on deliveries to safely  
 8 deliver food, medicine, and other essential items.

9 141.143. Most of Madrona Real Estate's commercial tenants wanted to open but were unable  
 10 to do so, because they were fearful of CHOP, had no way of attracting customers, and/or could not  
 11 be accessed due to blocked streets. Unable to generate revenue, many of these tenants asked  
 12 Madrona Real Estate for rent relief. Many are small, locally owned stores. Madrona Real Estate  
 13 has been giving concessions in the form of free rent, resulting in economic loss, but even so many  
 14 of the small commercial tenants are still facing bankruptcy.

15 142.144. The City's policies with respect to CHOP have resulted in other sources of  
 16 economic loss to Madrona Real Estate. For example, Madrona Real Estate operates a parking  
 17 garage near CHOP. But, since the occupation of the CHOP area started, nearly no one is coming  
 18 to the area to shop or dine. Parking revenue in June 2020 was only a small fraction of the average.

19 143.145. Madrona Real Estate complained to the City and even sent a letter to Mayor  
 20 Durkan. Mayor Durkan did not respond or acknowledge the plight of the many residents of  
 21 Madrona Real Estate services, let alone provide any recourse to challenge the City's policies and  
 22 conduct.

23 144.146. *Plaintiff Hunters Capital.* Plaintiff Hunters Capital is a real-estate company that  
 24 owns or manages multiple residential, commercial, and mixed-use buildings on Capitol Hill in and  
 25 around CHOP. Like Madrona Real Estate, the presence of CHOP is causing economic injury to

1 Hunters Capital, including loss of revenue, damage to property, and decline in property value.  
 2 Hunters Capital has recently had investors back out of Capitol Hill development projects, citing  
 3 CHOP as the reason to withdraw. Every day the City supported the ongoing occupation of CHOP,  
 4 Hunters Capital incurred further irreparable harm.

5 145.147. Hunters Capital property and employees were also threatened by CHOP  
 6 participants. For example, a Hunters Capital maintenance employee was recently attempting to  
 7 clean up CHOP graffiti at a Hunters Capital building located near 10<sup>th</sup> Avenue and Pike Street at  
 8 around 7:00 am in the morning. As he started to paint over the graffiti, the worker was accosted  
 9 by a group of CHOP participants. The participants ordered him to stop removing the graffiti and  
 10 threatened to burn the building down if he did not comply. Because of the threats, the maintenance  
 11 worker left without painting over the graffiti, emotionally distraught due to the threats of violence  
 12 and arson.

13 146.148. Hunters Capital's residential tenants found that the area around CHOP was  
 14 unlivable. For example, they reported numerous noise and safety concerns. Although the City has  
 15 a noise ordinance, it was not enforced in and around CHOP. CHOP participants violated the  
 16 ordinance late into every night, even setting off fireworks into the early hours of the morning.  
 17 Hunters Capital's residential tenants simply could not sleep and were deprived of their right to  
 18 quiet enjoyment of their homes. Hunters Capital wrote to the City repeatedly, but the City did not  
 19 respond to the concerns or provide any recourse or ability to challenge the City's policies or  
 20 conduct with respect to CHOP.

21 147.149. Hunters Capital's residential tenants also reported concern for their physical safety.  
 22 Many who used the local Cal Anderson Park for recreation or to walk their pets could not do so  
 23 because of safety concerns and rampant public drug use. Incidents of assault and harassment  
 24 occurred in the area. Hunters Capital's residents recently witnessed a peaceful individual forcefully  
 25 removed from the area by CHOP mobs. Female renters in particular had reported concerns about

1 their personal safety, in light of numerous reported instances of sexual assault within CHOP. Some  
 2 residential tenants have threatened to break their leases at properties owned by Hunters Capital  
 3 because of the extensive problems created by CHOP.

4 148.150. Hunters Capital's commercial tenants are also suffering. Many reported that they  
 5 could not open, because they feared doing so would expose them to looting and arson. Many  
 6 tenants witnessed assault, theft, and looting. These commercial tenants were forced by CHOP to  
 7 close and board up their stores in order to protect them. Some commercial tenants physically could  
 8 not open under any circumstances, as CHOP participants blocked store entrances, including by  
 9 setting up residential areas for CHOP participants on public streets and sidewalks with tents.  
 10 Hunters Capital's commercial tenants are struggling. Many are small businesses and storefronts  
 11 that depend on visitors coming to Capitol Hill. Many currently cannot pay their rent as a direct  
 12 consequence of CHOP and its aftereffects.

13 149.151. Other Hunters Capital commercial tenants with office space in the area reported  
 14 that they are and were unable to come to work at their office space, because of blocked access and  
 15 fear of CHOP participants. Additionally, the commercial office tenants reported that the noise  
 16 issues were so serious that they and their employees were unable to use their office space for work.  
 17 Loud speeches and chanting at all hours of the day made normal working conditions impossible.  
 18 The vast majority of Hunters Capital commercial-office tenants report that they and their  
 19 employees were simply unable to come to work at all.

20 150.152. Hunters Capital's tenants have already begun to leave because of CHOP, and others  
 21 cannot pay rent. Every day that passes more of the company's tenants leave the area, at  
 22 considerable loss to Hunters Capital. Further, there has been no interest from prospective tenants.  
 23 As long as CHOP and its aftereffects remain, nearly no one is interested in relocating to the Capitol  
 24 Hill neighborhood.

1       151.153. *Plaintiff Olive ST Apartments.* Olive ST Apartments is another small business on  
 2 Capitol Hill that struggled because of CHOP. Olive ST Apartments owns two apartment buildings  
 3 close to Cal Anderson Park. Previously a desirable location for renters, life for Olive ST  
 4 Apartments' tenants became unlivable. The tenants were terrified by CHOP participants carrying  
 5 guns, in addition to the rampant violence, harassment, and vandalism within CHOP. Olive ST  
 6 Apartments' owner was videotaped and harassed while trying to move a garbage dumpster several  
 7 blocks outside of CHOP just so the garbage could get picked up.

8       152.154. Due to safety concerns, Olive ST Apartments was forced to hire private security.  
 9 Nevertheless, Olive ST Apartments' buildings were covered with graffiti multiple times. The  
 10 company tried cleaning the graffiti off, only for its buildings to be vandalized again. On several  
 11 occasions, CHOP participants attempted to break into its buildings, once breaking the lock box for  
 12 mail. Olive ST Apartments called the police, but the police told Olive ST Apartments' security  
 13 guard that they would not send anyone to the area.

14       153.155. The noise, including from Cal Anderson Park, also made conditions for Olive ST  
 15 Apartments' tenants unlivable. The company received constant complaints about the noise at all  
 16 times of day and night, including gun shots. Tenants left to avoid the noise.

17       154.156. In addition to ceding the nearby Cal Anderson Park to CHOP, the City supported  
 18 the CHOP participants near Olive ST Apartments by providing them with barricades, lights, toilets,  
 19 handwashing stations, and fire extinguishers. The City allowed CHOP participants to use bright  
 20 lights at Cal Anderson Park to facilitate CHOP activities there, causing a nuisance to Olive ST  
 21 Apartments' tenants.

22       155.157. Given the unlivable conditions, it was impossible for the company to rent its  
 23 apartments. Tenants moved out because of the nearby presence of CHOP. No new renters have  
 24 interest in moving to the area. Each day CHOP and its aftereffects continue, Olive ST Apartments  
 25 incurs further harm and economic loss.

1        156.158. *Plaintiff Redside Partners.* Plaintiff Redside Partners performs real-estate  
 2 management services to buildings near CHOP. Its business has also been hurt by CHOP and its  
 3 aftereffects. Redside Partners employees reported that they do not feel safe coming to work, as the  
 4 company's offices are near Cal Anderson Park. The company's employees report widespread  
 5 lawlessness, including vandalism, graffiti, and public drug use affecting the buildings the company  
 6 manages. CHOP participants trespassed on Redside Partners's properties, including climbing up  
 7 fire escapes to get on building roof tops. Redside Partners complained to the City but received no  
 8 response.

9        157.159. *Capitol Hill's real-estate companies like Plaintiffs Madrona Real Estate, Hunters*  
 10 *Capital, and Redside Partners have invested millions of dollars over the years to turn Capitol Hill*  
 11 *into a desirable location, with modern condos, restaurants, and shops. They have made investments*  
 12 *in new, state-of-the-art buildings and the restoration of many historic buildings. Over the last*  
 13 *several decades, they have helped transform Capitol Hill into one of the nation's most vibrant and*  
 14 *architecturally attractive neighborhoods, a diverse melting pot for both local residents as well as*  
 15 *tourists, with the City's best boutique shopping, dining, socializing, and urban living. It has*  
 16 *fostered a livable community for many new residents and a superstructure for many thriving small*  
 17 *businesses, which employ thousands of employees from a diverse set of backgrounds. The*  
 18 *immense value and wealth this has created, for Plaintiffs, the Capitol Hill community, and Seattle*  
 19 *more generally is actively being destroyed by the City's actions.*

20        158.160. *Plaintiff Rancho Bravo.* Rancho Bravo is a restaurant well-known for providing  
 21 quality Mexican food at affordable prices. Its location on Capitol Hill is on 11<sup>th</sup> and Pine Street, in  
 22 the center of what became CHOP. In the days following the SPD's abandonment of the East  
 23 Precinct, Rancho Bravo's owner and others met with city officials, including the Fire Chief, and  
 24 urged them to remove the barricades that had been left behind. They pointed out that, without the  
 25 barricades, the CHOP participants could continue their protest activities but would not obstruct

1 streets or hamper businesses. The next day, the City not only failed to remove the existing  
 2 barricades which had been used by police during the protests, but the City also provided additional  
 3 concrete barriers to CHOP participants to set up their “autonomous zone” to keep police and others  
 4 out.

5 159.161. Also, after the City’s decision to abandon the East Precinct, CHOP participants,  
 6 without asking Rancho Bravo, set up a makeshift medical center in the outside seating areas in  
 7 front of the restaurant. This “medic station” was in operation for weeks and obstructed customer  
 8 access to seating.

9 160.162. At one point during the occupancy, CHOP participants set up a vehicle and trailer  
 10 blocking the northeast access point to the Rancho Bravo parking lot. The participants involved in  
 11 placing these obstructions set up a food stand on the street near Rancho Bravo serving tacos,  
 12 burritos, fruit, and other concessions. Rancho Bravo’s owner met with the owners of this food  
 13 stand and asked if they had a permit. He was told that they had no permit but that the CHOP leaders  
 14 had approved their activities.

15 161.163. During the CHOP occupancy, Rancho Bravo stayed open, believing that its  
 16 property would be in greater danger had it abandoned the restaurant. Having seen the damage to  
 17 other buildings in the area, Rancho Bravo was concerned that CHOP participants would vandalize  
 18 or perhaps even burn down the Rancho Bravo building if it were abandoned. As it was, CHOP  
 19 participants left extensive graffiti on and around the restaurant building. Rancho Bravo’s business  
 20 dropped precipitously during the occupancy, leading to significant economic losses.

21 162.164. *Plaintiff Sway and Cake.* Sway and Cake is a clothing store located on 12<sup>th</sup> Street  
 22 and Pike Street. Its storefront looked out on barricades placed by CHOP participants at the entrance  
 23 to CHOP at that intersection. Sway and Cake had been closed due to the public health crisis and  
 24 was preparing to re-open at the time the protests began. However, once SPD abandoned the East  
 25 Precinct, and the City discontinued providing police and emergency services to the area, Sway and

1 Cake had to board up its storefront and remain closed despite State orders permitting re-opening.  
 2 The store feared the possibility of vandalism, arson, or other crimes. Also, the environment in the  
 3 CHOP, according to the store's owner, was not conducive to her clientele; rather, it was completely  
 4 lawless and dangerous. Sway and Cake's owner visited the store while CHOP was being occupied  
 5 and, when approaching the barricades, would be asked by those guarding the barriers why she was  
 6 entering the area.

7 163.165. *Plaintiff Shuffle LLC/Cure Cocktail.* Cure Cocktail is a restaurant and bar with  
 8 windows and a patio overlooking Cal Anderson Park from its location on Nagle Place. Cure  
 9 Cocktail's business suffered dramatically once the CHOP occupation began. Access to Nagle Place  
 10 was blocked by barricades, and the patio, rather than looking over the normally pleasant Cal  
 11 Anderson Park, now provided a view of, among other things, armed CHOP participants and a tent  
 12 city. Because of the notoriety of CHOP and the barricades, deliveries of inventory to Cure Cocktail  
 13 were cancelled. Without police presence, the area was dangerous, and escalated in danger as crime,  
 14 including shootings, became common. Potential customers no longer wanted to be near the  
 15 restaurant or the area. A once vibrant business, even during the health crisis through online orders,  
 16 Cure Cocktail's revenues declined dramatically. When interacting with Cure Cocktail personnel,  
 17 CHOP participants would ask questions such as, "Are you for the CHOP or are you for the police?"  
 18 Even though Cure Cocktail supports Black Lives Matter and other causes, it became fearful in its  
 19 communications with the protestors over what might happen if they offended CHOP participants.  
 20 In some communications, they were threatened with "exposure" over Instagram or other social  
 21 media sites if they did not express support for specific causes.

22 **D. The City Actively Supported and Encouraged CHOP and CHOP Participants.**

23 164.166. In the face of all this destruction, City leaders, including Mayor Durkan, embraced  
 24 the existence, message, and methods of CHOP and CHOP Participants. They did this with physical  
 25

1 support and extensive verbal support and encouragement that has expressly endorsed the  
 2 barricading and occupation of City streets and parks.

3 165.167. Since the day that the City abandoned the East Precinct, the City had full knowledge  
 4 of the problems created for businesses and residents in and around CHOP, including property  
 5 damage, lack of police response, the inability for workers and residents to enter and leave the area,  
 6 the inability for businesses to receive deliveries, and other adverse impacts on residents,  
 7 businesses, and property owners in the area. The City nevertheless adopted a policy supporting the  
 8 CHOP occupation, acting with deliberate indifference toward those suffering harms from it.  
 9 Evidence of the City's knowledge includes the following:

10 a. At a June 11, 2020 press conference with Mayor Durkan, Chief Best made  
 11 it clear that the City was fully aware that its 9-1-1 response times had tripled and that  
 12 there was a serious public-safety crisis for anyone who lives or works in CHOP.

13 b. On June 16, 2020, the City stated, via a press release from the Mayor's  
 14 office:

15 Beginning last Tuesday, City officials have been on site on Capitol  
 16 Hill to work [to] meet community needs including  
 17 hygiene, sanitation and safety. Utilities including Puget Sound  
 18 Energy and SPU have been able to respond to the area for service.  
 19 Seattle Police Chief Carmen Best has visited the site multiple  
 20 times. Over the past week, conversations continued between City  
 21 officials, organizers onsite for the CHOP, residents and  
 22 businesses. ... Every day, Seattle Fire Chief Harold Scoggins,  
 23 Seattle Department of Transportation Director Sam Zimbabwe,  
 24 and Seattle Public Utilities General Manager Mami Hara have  
 25 been on site. On Sunday, they held a meeting with onsite  
 organizers, small businesses, and residents to discuss proposed  
 changes to the protest zone.

26 c. On information and belief, Mayor Durkan and the SPD have been inundated  
 27 with complaints about CHOP that describe in detail the extensive property damage,  
 28 restricted access, and economic loss that residents, businesses, and property owners are  
 29 suffering.

d. In response to at least some requests from desperate businesses and residents for her to cease her support of CHOP, Mayor Durkan's office has provided a stock response acknowledging that the City is "maintaining" a space for CHOP, including by, for example, providing a "sturdier concrete barrier" to help CHOP block a public street. The stock response states in part as follows:

Thank you for reaching out.

The Capitol Hill Organized Protest has emerged as a gathering place where community members can demand change of their local, state, and federal government. Capitol Hill and Cal Anderson Park have long been a gathering place for justice. While there have been inaccurate and misleading depictions of the CHOP from the President and some national media, the City believes first amendment activities can continue while also maintaining public safety and allowing access for residents and businesses who operate in the area. Mayor Durkan believes these changes can help ensure any focus of the CHOP and Cal Anderson will allow for peaceful demonstrations to continue.

Beginning last Tuesday, City officials have been on site on Capitol Hill to work [to] meet community needs including hygiene, sanitation and safety. Utilities including Puget Sound Energy and SPU have been able to respond to the area for service. Seattle Police Chief Carmen Best has visited the site multiple times. Over the past week, conversations continued between City officials, organizers onsite for the CHOP, residents and businesses. The City is committed to maintaining space for community to come together, protest and exercise their first amendment rights. Minor changes to the protest zone will implement safer and sturdier barriers to protect individuals in this area, allow traffic to move throughout the Capitol Hill neighborhood, ease access for residents of apartment building in the surrounding areas, and help local businesses manage deliveries and logistics. Additionally all plans have been crafted with the goal of allowing access for emergency personnel including fire trucks.

Every day, Seattle Fire Chief Harold Scoggins, Seattle Department of Transportation Director Sam Zimbabwe, and Seattle Public Utilities General Manager Marni Hara have been on site. On Sunday, they held a meeting with onsite organizers, small businesses, and residents to discuss proposed changes to the

1 protest zone. In coordination with protesters onsite, work began at  
 2 6:30 a.m. on Tuesday to remove a tent barrier at 10th and Pine and  
 3 replace it with a sturdier concrete barrier to improve public safety.  
 4 The City has successfully worked with protesters onsite to  
 5 reconfigure the CHOP to allow for public safety and better access  
 6 for the local community. That has involved rerouting traffic,  
 7 freeing up alley access, opened streets, and replacing makeshift  
 8 barriers with heavy concrete barriers that can be painted.  
 9

10 e. In addition to the numerous City officers listed above, Mayor Durkan  
 11 herself has personally visited CHOP and has seen what is happening. In an interview given  
 12 in her City offices on Facebook Live on June 12, 2020, Mayor Durkan made clear that she  
 13 had seen the barriers and talked to CHOP participants and apparently approved of them  
 14 using an individual with behavioral health issues to enforce the perimeter: “It’s interesting,  
 15 when I was at the CHAZ, walking around, similar kind of philosophy, because there’s this  
 16 one guy, some behavioral health issues, and it was like, look, he has some hard times, and  
 17 he helps on that barricade over there, and then when he starts having a hard time, we just  
 18 bring him over here, take care of him, feed him. And that’s what you gotta do, right?”<sup>3</sup>

19 f. On June 22, 2020, Mayor Durkan stated at a press conference:

20 Over the days, tens of thousands of people have peacefully gathered  
 21 or visited Capitol Hill. During the day, there have been no major  
 22 incidents. But we know it is very different at night, particularly in  
 23 recent nights. The cumulative impacts of the gatherings and protests  
 24 and the nighttime atmosphere and violence has led to increasingly  
 25 difficult circumstances for our businesses and residents. Most of  
 them supported protesters’ right to gather at the outset. They stand

1 with them in solidarity. But the impacts have increased, and the  
 2 safety has decreased. Both on Saturday morning and last night there  
 3 were incidents of gun violence. And that escalating violence  
 4 concerns me, Chief Best, residents, businesses, and the greater  
 5 community. All of Capitol Hill has been impacted.

6 g. At the same June 22, 2020 press conference, Chief Best stated that reports  
 7 to the police demonstrate that some CHOP participants are “engaging in shootings, a rape,  
 8 assaults, burglary, arson, and property destruction, and I have their police reports right here.  
 9 I’m not making it up. These things have happened.”

10 h. At a press conference on June 29, 2020, the morning after yet another fatal  
 11 shooting in the CHOP area, Chief Best repeatedly emphasized how dangerous the situation  
 12 is within CHOP, stating:

13 [I]t’s very unfortunate that we have yet another murder in this area  
 14 identified as the CHOP. Two African American men dead at a place  
 15 where they claim to be working for Black Lives Matter. But they’re  
 16 gone. They’re dead now. And we’ve had multiple other incidents –  
 17 assaults, rape, robbery, and shootings. And so, you know, this is  
 18 something that is going to need to change. We’re asking people to  
 19 remove themselves from this area for the safety of the people. If they  
 20 care about people, they’re gonna have to try to help us to make it  
 21 safe. Not opposed to anybody’s issue or concern. They certainly can  
 22 demonstrate, you know, and peacefully any place, but they can’t  
 23 hostilely take over a neighborhood and cause the crime levels to go  
 24 up like this. Two men are dead. Two men are dead. And a child, a  
 25 14-year-old, is hospitalized and we don’t know what is gonna  
 happen to that kid.

20 ...

21 You know, at this point, the East Precinct, while important to us,  
 22 what’s much more important is that this neighborhood is not under  
 23 siege and that there are not people being victimized. You know, the  
 24 precinct is a building. The precinct is a building. But people dying,  
 25 rapes, robbery, assault – that is what we need to deal with. *That’s*  
 what we need to deal with.

20 ...

I have said this multiple times, it is taking us three and a half times longer to get here. We have a fire station that is less than two blocks from here, they cannot go into this area. We have had so many issues and problems. And, you know, I have the police reports, people have identified as victims... we need to make sure that we are able to provide public safety. *That* is what needs to happen.

• • •

As an African American woman, with uncles and brothers and stuff, I wouldn't want them to be in this area. We've had two men killed. And we have a child that's injured from gunfire. So this is a real problem. And I would question why we would continue to allow this to happen.

• • •

I think everybody in city government has been talking about what we can do to have a reasonable response, that limits any issue or danger, but we also recognize that a place where we have seen now two murders, multiple people injured, there needs to be some more action for public safety. I think everybody can agree on that.

[T]his situation as you reporters are walking around, you can see that it can be dangerous and unacceptable, and so we're gonna have to work through this. This is not safe for anybody. Not anybody. Multiple cases. Two murders. And it's not right. So, thank you for your time. I think there will be other times we will get a chance to talk and go over it. But, as you can see, this is not an acceptable situation. Thank you.

i. At one point during this same press conference, in response to a question about whether the City-provided barriers had saved lives by preventing a Jeep from entering the CHOP area, Chief Best responded:

CHIEF BEST: Yeah, I don't agree. I absolutely do not agree with that. I think that is absolutely ludicrous. I'm not gonna let the detractors and the naysayers and the agitators be the ones who are the voice here. There are people who live here, there are multiple people who are being injured and hurt, and we need to do something about it. It is absolutely irresponsible for this to continue.

j. On July 1, 2020, Chief Best stated in a press conference, “This order and our police response comes after weeks of violence in and around the Capitol Hill Occupied Protest zone, including multiple shootings resulting in many injuries and two deaths. .... Our job is to support peaceful demonstrations. But what has happened here on these streets over the last two weeks – few weeks, that is – is lawless and it’s brutal and bottom line it is simply unacceptable.”

166.168. The extent of the City's knowledge of what was going on in CHOP is demonstrated by the following from Mayor Durkan's emergency order that went into effect on July 1, 2020:

1 WHEREAS, after significant national attention, many protestors have left the area but the conditions  
 2 in the Cal Anderson Park Area have deteriorated to the point where public health, life, and safety are  
 3 threatened by activities in and around this area, as supported by the following facts:

4

- 5 • On June 20, 2020, the first of three incidents of firearms violent with multiple victims occurred; one individual was shot and killed, and another was shot and seriously injured.
- 6 • First responders from the Seattle Fire Department and Seattle Police Department were denied safe access to the area by hostile crowds, including armed individuals, and obstructions.
- 7 • On June 22, 2020, a second incident involving firearms violence injured two addition individuals. On June 26, 2020, SDOT employees attempted to remove a limited number of barriers, but unarmed employees were met with hostility and weapons. SDOT could not conduct operations.
- 8 • Access by first responders to emergencies have been impeded further. On the morning of June 28, demonstrators moved the concrete barriers to completely restrict access of fire and medics on multiple roads. Demonstrators had previously agreed to open these areas to access for residents, businesses, city services, and fire.
- 9 • On June 29, 2020, a juvenile was shot and killed, and another juvenile was seriously injured in the immediate vicinity of this area. Evidence indicates that this murder may have been committed by individual(s) "occupying" the area.
- 10 • On June 30, 2020, SDOT removed a limited number of barriers with SPD, but was quickly met with agitated opposition to the removal.
- 11 • In addition, SPD has received numerous reports of narcotics use and violent crime, including rape, robbery, assault, and increased gang activity. An increase of 525%, 22 additional incidents, in person-related crime in the area, to include two additional homicides, 6 additional robberies, and 16 additional aggravated assaults (to include 2 additional non-fatal shootings) between June 2<sup>nd</sup> and June 30<sup>th</sup>, 2020, compared to the same period of time in 2019.
- 12 • Residential and businesses in the area have documented incidents of harassment, graffiti, noise disturbances, and obstruction of vehicular traffic to residences and places of business, and multiple lawsuits and claims have been filed against the City by residents and businesses impacted by the activities in this area.
- 13 • Significant damage has been caused by those remaining unlawfully in the area to City property, including Cal Anderson Park and the East Precinct facility. The full extent of damage to the East Precinct remains an open question until city employees are allowed access to the site in order to make that assessment.
- 14 • Open fires and vehicles on the reservoir are placing important regional water infrastructure located within Cal Anderson at risk.
- 15 • An alarming recent rise in COVID-19 numbers across the region, coupled with a lack of social distancing in this area, and the daily attraction to this area of outside individuals place the neighborhood at opening businesses at increased risk for outbreaks.
- 16 • A pervasive presence of firearms and other weapons has been well-documented.
- 17 • Ongoing violations of the Seattle Parks and Recreation's Code of Conduct have been observed, including camping and parking in the park, conduct that unreasonably deprives others of the use of parks, disrupting Seattle Parks and Recreation business, dumping trash and/or creating unsanitary conditions or health hazards that violate public health rules; behaviors that impede restroom use; urinating or defecating, except in designated restroom fixtures, blocking entrances, exits, fire exits, disabled access areas, public walkways; conduct that creates an unreasonable and substantial risk of harm to any person or property; and abusive and harassing behavior; and

1       167.169. Despite having knowledge of exactly what was happening at CHOP by being there  
 2 every day and in apparently constant contact with area residents and business owners, the City  
 3 acted with deliberate indifference toward the safety and property interests of those residents and  
 4 businesses.

5       168.170. The City also enabled the blocking of ingress and egress for businesses and  
 6 residents in the area, without providing plaintiffs any notice of this deprivation or opportunity to  
 7 be heard on the matter. Reportedly, the City reached an informal agreement with CHOP  
 8 participants to allow limited one-way access on Eleventh and Twelfth Avenues starting on June  
 9 16, 2020 (Plaintiffs were not invited to participate in these negotiations). However, as part of that  
 10 agreement, the City actually fortified the rest of CHOP with new barriers (again without providing  
 11 Plaintiffs notice or an opportunity to be heard on the matter). And even the planned limited access  
 12 for some streets almost immediately broke down when CHOP participants reestablished  
 13 impediments. The City's response to this was apparently to do nothing.

14       169.171. At the same time that the City has acted with deliberate indifference to property  
 15 owners and people who live and work in and near CHOP, the City physically aided, endorsed, and  
 16 actively encouraged CHOP participants to continue their occupation of public spaces.

17       170.172. The City physically aided CHOP participants in their occupation of the area in at  
 18 least the following ways:

19           a.       When the City abandoned the East Precinct on June 8, 2020, it left behind  
 20 the barriers that had previously blocked street access and protected the East Precinct from  
 21 protesters. These barriers foreseeably served as the raw materials that allowed CHOP  
 22 participants to block streets and create CHOP within a very short time.

23  
 24  
 25

b. On June 16, 2020, the City provided even more concrete barriers to CHOP participants so that CHOP participants could replace wooden barriers and fortify their blockages of streets.<sup>4</sup>

c. The City provided portable toilets and wash stations for CHOP participants.

d. The City has provided medical equipment, including beds and other supplies, to the CHOP "medical tent."

e. The City provided nighttime lighting at Cal Anderson Park.

171.173. As the City admitted in Mayor Durkan's July 1, 2020 emergency order, the City "facilitated" CHOP by:

- “\* Providing basic hygiene, water, litter, and garbage removal.
- \* Temporarily allowing obstructions of public parks, streets, and sidewalks
- \* Modifying SPD and SFD response protocols....
- \* Modifying streets and pedestrian access routes.
- \* Providing social services outreach and engagement....
- \* Facilitating modified city services delivery to local residents and businesses impacted by events in this area.”

172.174. The City's policies effectively authorized the actions of the CHOP participants. The City communicated clearly to CHOP participants that they may indefinitely continue occupying the streets in the area, maintaining their barricades, and blocking traffic, all without interference from the City. The City has communicated this message in at least the following ways:

a. On June 11, 2020, during a joint press conference with the Chief of Police, Mayor Durkan stated: “There’s not a specific date ... because we are trying to do things that are responsible.”

<sup>4</sup> <https://durkan.seattle.gov/2020/06/city-of-seattle-responds-to-the-capitol-hill-organized-protest/>

1                   b.     On June 12, 2020, in response to a direct question from CNN's Chris  
 2 Cuomo about how long the City would allow CHOP participants to continue to occupy the  
 3 neighborhood, Mayor Durkan responded, "I don't know. We could have the Summer of  
 4 Love."

5                   c.     On June 16, 2020, the City announced through an official statement from  
 6 Mayor Durkan that it had negotiated with CHOP participants to adjust some but not all  
 7 their barriers to allow one-way traffic on Twelfth Avenue.<sup>5</sup> This agreement was an  
 8 endorsement of CHOP participants' other barriers and its overall occupation of the  
 9 neighborhood.

10                  d.     In announcing the supposed opening of a one-way corridor, the City made  
 11 clear in a statement from the Mayor that it was an active participant in maintaining and  
 12 solidifying CHOP barriers and boundaries:

13                  The City is committed to maintaining space for community to come  
 14 together, protest and exercise their first amendment rights. Minor  
 15 changes to the protest zone will implement safer and sturdier  
 16 barriers to protect individuals in this area, allow traffic to move  
 17 throughout the Capitol Hill neighborhood, ease access for residents  
 18 of apartment building in the surrounding areas, and help local  
 19 businesses manage deliveries and logistics. [emphasis added]<sup>6</sup>

20                  e.     Also on June 16, 2020, Mayor Durkan suggested that the City agreed that  
 21 police officers will only enter the occupied area for "significant life-safety issues."<sup>7</sup>

22                  f.     On June 22, 2020, Mayor Durkan and Chief Best held a joint press  
 23 conference in which they expressed concern about the impacts of CHOP but also indicated  
 24 at that time there was no specific timeline or plan for lessening those impacts or removing  
 25 the blockades, barriers, and tents from CHOP.

<sup>7</sup> <https://durkan.seattle.gov/2020/06/city-of-seattle-responds-to-the-capitol-hill-organized-protest/>

1       173.175. The City also made numerous statements indicating that it endorsed and would  
 2 continue to support what CHOP participants were doing in the area, thereby ensuring the continued  
 3 and indefinite occupation and blockading of the neighborhood, and all the damage it has caused  
 4 and will cause. The City's statements include at least the following:

5           a.       On June 11, 2020, Mayor Durkan posted following on her Twitter page:  
 6        “The Capitol Hill Autonomous Zone #CHAZ is not a lawless wasteland of anarchist  
 7        insurrection – it is a peaceful expression of our community’s collective grief and their  
 8        desire to build a better world.”

9           b.       On June 11, 2020, Mayor Durkan also posted on her Twitter page: “For the  
 10        thousands of individuals who have been on Capitol Hill, I think you’ve seen what I’ve  
 11        seen: the painting of Black Lives Matter along Pine Street, food trucks, spaghetti potlucks,  
 12        teach-ins, and movies.”

13           c.       On June 11, 2020, Mayor Durkan stated during a joint press conference with  
 14        the Chief of Police:

15        Lawfully gathering and expressing first Amendment rights, and  
 16        demanding we do better as a society, and providing true equity for  
 17        communities of color, is not terrorism. It is patriotism. The right to  
 18        challenge government and authority is fundamental to who we are  
 19        as Americans. ... And for the thousands of individuals who’ve been  
 20        on Capitol Hill, many of them, what you’ll see is a painting of  
 21        Black Lives Matter along Pine Street. Food trucks, spaghetti  
 22        potlucks, teach-ins, movies, free granola bars . . . .

23           d.       During the same press conference on June 11, 2020, Mayor Durkan also  
 24        stated:

25        The Capitol Hill area—in fact, some of my family is up there right  
 26        now—... it is not an armed ANTIFA militia no-go zone. It is, a  
 27        number of people are there, we’ve had ongoing communications  
 28        with them, with the businesses, with the residents, and we will  
 29        make sure that we find some way for people to continue to protest  
 30        peacefully while also getting ingress and egress. We’ve had blocks  
 31        of Seattle in Capitol Hill shut down every summer for everything  
 32        from Block Party to Pride. This is not really that much of an

operational challenge. But we want to make sure that the businesses and residents feel safe and we'll continue to move that forward.

e. During her Facebook Live interview, Mayor Durkan also stated "I was up there today, walking around, talking to people, and I think we just have to continue to listen to people and figure out a way that there's still a way for people to have that kind of free expression, but we need to open up the streets, too, at least 12<sup>th</sup> so we can get fire through, and like that, so we're going to keep talking to people and listening to them. But I heard a lot of great ideas and I heard a lot of community strength there. That was cool."

f. Also on June 12, 2020, during her interview with CNN's Chris Cuomo, Mayor Durkan said, "We've got four blocks in Seattle that just saw pictures of that is more like a block party atmosphere. It's not an armed takeover. It's not a military junta. We will – we will make sure that we can restore this. But we have block parties and the like in this part of Seattle all the time. It's known for that."

g. On June 12, 2020, Mayor Durkan endorsed the gardens being planted in Cal Anderson Park on Twitter: “Earlier today I visited the #CHAZ and met Marcus Henderson, the person behind the new community garden popping up in Cal Anderson Park. Read more about Marcus and the work that’s gone into creating the gardens: [thestanger.com/slog/2020/06/1/](http://thestanger.com/slog/2020/06/1/).”

h. Mayor Durkan also tweeted on June 12, 2020: "For as long as I can remember, Capitol Hill has been autonomous – it's been a place where people go to express themselves freely. Today at the #CHAZ, I spoke with organizers and community about how we can move forward and keep our communities safe, together."

- i. Mayor Durkan tweeted on June 16, 2020: “The #CHOP has emerged as a gathering place for community to demand change of their local, state, and federal government.”

j. On June 19, 2020, Mayor Durkan officially declared that there was no longer a state of emergency in the City because “demonstrations since that day have been and continue be largely peaceful.”

k. On June 21, 2020, after two people were shot in CHOP and one of them died, Mayor Durkan issued a statement indicating that the City still had no plans to cease supporting CHOP and that the City was instead acting to work with and preserve CHOP.

174.176. The City changed its tone after it learned that this lawsuit would be filed, and especially after Plaintiffs filed their first complaint. This included finally clearing CHOP of barricades and CHOP participants on July 1, 2020, in the face of an impending motion for a temporary restraining order. But the City’s earlier assistance and endorsement of CHOP and CHOP participants caused, and continue to cause, harm to Plaintiffs and the Class that would not have occurred absent the City’s actions.

175.177. The clearing of the area on July 1, 2020, was easily and accomplished without violence on either side, demonstrating that the City could have and should have cleared the area far earlier.

## **V. CLASS ALLEGATIONS**

176.178. Plaintiffs seek to certify a class of similarly situated persons pursuant to Fed. R. Civ. Proc. 23(b)(2) and/or 23(b)(3).

177.179. The Class is hereby defined as follows: All persons or entities who own property in, have a business in, or reside in the area in the City of Seattle bounded by the following streets: Denny Way, Union Street, Thirteenth Avenue, and East Broadway. This definition excludes the

1 City of Seattle and any departments or agencies of the City of Seattle, including the Seattle Police  
2 Department.

3 178.180. The definition of the Class is unambiguous. Plaintiffs are members of the Class,  
4 and all members of the Class can be identified through public records and notified by mail or other  
5 means of notification.

6 179.181. The number of Class members makes joinder impractical. Plaintiffs do not know  
7 the exact number of members in the Class, but believe the total number of businesses, residents,  
8 and property owners in the Class to be in the thousands.

9 180.182. There are numerous questions of law and fact common to the Class that  
10 predominate over any individual issues. These issues include the following:

- 11 a. Whether the City has participated in, endorsed, or encouraged the creation,  
12 maintenance, and continued existence of CHOP.
- 13 b. All facts regarding the existence and maintenance of CHOP including at least  
14 the following:
  - 15 i. The boundaries and nature of the SPD's "no-go" zone in and  
16 around CHOP.
  - 17 ii. All facts and circumstances surrounding the City's  
18 participation in, endorsement of, or encouragement of the  
19 creation, maintenance, and continued existence of CHOP.
  - 20 iii. The nature and scope of activities of CHOP participants.
- 21 c. Whether Plaintiffs and the Class have legally protected constitutional property  
22 rights.
- 23 d. Whether the City has infringed on those property rights by its actions with  
24 regard to CHOP.

- 1 e. Whether the City was required to provide notice and a hearing to Class
- 2 members before infringing on those property rights.
- 3 f. Whether CHOP and CHOP participants are a nuisance within the meaning of
- 4 RCW 7.48.010, et seq.
- 5 g. Whether the City has participated in the maintenance of that nuisance.
- 6 h. Whether the City has acted with deliberate indifference toward Plaintiffs and
- 7 the Class.
- 8 i. Whether the harm suffered by Plaintiffs and the Class was foreseeable and
- 9 obvious.
- 10 j. Whether the City's actions constitute an unlawful gift within the meaning of
- 11 the Washington Constitution.
- 12 k. Whether Plaintiffs and the Class have suffered a taking without just
- 13 compensation.
- 14 l. Whether the City's actions were pursuant to a City policy.
- 15 m. Whether the City's actions were ratified by a City policymaker.
- 16 n. Whether Plaintiffs and the Class are entitled to injunctive relief.

17 181.183. The claims of the Plaintiffs are typical of the members of the Class. All Plaintiffs  
18 reside in the Class and have been subject to the same course of conduct by the City.

19 182.184. The Plaintiffs will fairly and adequately represent the Class. Plaintiffs are all  
20 members of the Class and have there are no conflicts between Plaintiffs and other Class members.  
21 Plaintiffs are well-informed as to the nature of this case and the claims against the City and have  
22 retained competent and experienced counsel that intend to prosecute this action vigorously.

23 183.185. The City has acted or refused to act on grounds that apply generally to all Plaintiffs  
24 and the Class such that injunctive relief is appropriate respecting the Class as a whole.

1       184.186. The issues that Class members have in common predominate over any individual  
 2 issues. The City engaged in a common course of conduct giving rise to the harms suffered by  
 3 Plaintiffs and the Class. A single, common policy is at issue in this case. Individual questions, if  
 4 any, pale by comparison to the numerous common questions that dominate. The injuries sustained  
 5 by the Class members flow, in each instance, from a common nucleus of operative facts.

6       185.187. A class action is superior to other available methods for the fair and efficient  
 7 adjudication of this controversy because joinder of all class members is impracticable. The  
 8 prosecution of separate actions by individual members of the Class would impose heavy burdens  
 9 upon the courts and the City and would create a risk of inconsistent or varying adjudications of the  
 10 questions of law and fact common to the Class. A class action would achieve substantial economies  
 11 of time, effort, and expense, and would assure uniformity of decision as to persons similarly  
 12 situated without sacrificing procedural fairness. Individual litigation of the legal and factual issues  
 13 raised by the conduct of the City would increase delay and expense to all parties and to the court  
 14 system. The class action device presents far fewer management difficulties and provides the  
 15 benefits of a single, uniform adjudication, economies of scale and comprehensive supervision by  
 16 a single court. Given the similar nature of the claims of the members of the Class and the uniform  
 17 application of Washington and federal law to the claims of Plaintiffs and the members of the Class,  
 18 the Class's claims can and will be most effectively managed by a class action.

## VI. CLAIM FOR RELIEF

## **FIRST CAUSE OF ACTION – PROCEDURAL DUE PROCESS**

42 U.S.C. § 1983

U.S. Const. amend XIV § 1

On behalf of Plaintiffs and the Class

186.188. Plaintiffs incorporate all other allegations in this complaint as if set forth herein.

187.189. Plaintiffs and the Class have constitutionally protected property interests, as defined by Washington state law, to exclude others from their property, to the use and quiet enjoyment of their property, and to access their property via public rights-of-way.

188.190. The City has infringed on those constitutionally protected interests, including by (1) creating, assisting, endorsing, and encouraging an indefinite, unpermitted occupation and blockade of the public streets, sidewalks, and parks in and around CHOP, thereby denying Plaintiffs access to their properties, and (2) creating, assisting, endorsing, and encouraging the pervasive vandalism and trespasses against Plaintiffs' properties, thereby denying Plaintiffs the ability to use their properties and exclude others from them.

189.191. Plaintiffs and the Class also have constitutionally protected liberty interests in the fundamental right of free movement and the right to remain in a public place of one's choosing.

190.192. The City has infringed on those constitutionally protected liberty interests through its CHOP policies, including by, among other conduct as alleged throughout this Complaint, granting *de facto* autonomy over the CHOP area to the CHOP participants and allowing them to determine who could and could not travel through and within the CHOP area.

191.193. The City has infringed on Plaintiffs' constitutionally protected interests without providing Plaintiffs with any due process before depriving them of these interests, or providing any recourse following the deprivation of the interests. In particular, the City provided Plaintiffs with no notice or opportunity to be heard before or after depriving Plaintiffs of the freedom of

1 movement, the right to access their properties, the right to use their properties, and the right to  
 2 exclude others from their properties,

3 192.194. The City has done so pursuant to City policy as created, ratified, and authorized by  
 4 City policymakers, including Mayor Durkan, without any notice to Plaintiffs or opportunity for  
 5 them to be heard.

6 193.195. As a direct result of the City's actions, Plaintiffs and the Class have been denied  
 7 regular and customary use of, access to, and enjoyment of their property, including the ability to  
 8 drive or park in CHOP, the ability to walk to their homes or business without obstruction, the  
 9 ability to accept deliveries to their homes or business, the ability to prevent and remedy vandalism,  
 10 the ability to prevent trespasses and theft against their properties, the ability to freely move about,  
 11 and the ability to remain in a public place of one's choosing.

12 194.196. Plaintiffs and the Class have been harmed by this deprivation, including through  
 13 loss of revenue, loss of property value, damages to property, and other damages.

14 **SECOND CAUSE OF ACTION – SUBSTANTIVE DUE PROCESS**

15 42 U.S.C. § 1983

16 U.S. Const. amend XIV § 1

17 On behalf of Plaintiffs and the Class

18 195.197. Plaintiffs incorporate all other allegations in this complaint as if set forth fully  
 19 herein.

20 196.198. Plaintiffs have a right pursuant to substantive due process to be protected from  
 21 state-created dangers.

22 197.199. The City's actions, assistance, endorsements, and encouragements of CHOP and  
 23 CHOP participants greatly increased the likelihood of property damage, loss of business revenue  
 24 and rental income, personal injury, loss of use of property, and other damages to Plaintiffs. This  
 25

1 subjected Plaintiffs and the Class to harm that they not would have suffered absent the City's  
2 actions.

3 198.200. All damages suffered, and still to be suffered, by Plaintiffs were and are  
4 foreseeable, known, and obvious.

5 199.201. The City acted with deliberate indifference to the known and obvious harm that  
6 would be suffered by Plaintiffs.

7 200.202. The City did so pursuant to City policy as created and ratified by City policymakers,  
8 including Mayor Durkan.

9 **THIRD CAUSE OF ACTION – TAKING**

10 42 U.S.C. § 1983

11 U.S. Const. amends. V, XIV

12 On behalf of Plaintiffs and the Class

13 201.203. Plaintiffs incorporate all other allegations in this complaint.

14 202.204. Plaintiffs and the Class have constitutionally protected property rights to use and  
15 enjoy their properties, to exclude others from their properties, and to access their properties via  
16 public rights-of-way.

17 203.205. The City deprived Plaintiffs of those rights by affirmatively creating, assisting,  
18 endorsing, and encouraging an indefinite, unpermitted invasion, occupation, and blockade of the  
19 public rights-of-way that provide access to Plaintiffs' private properties, as well as by affirmatively  
20 creating, assisting, endorsing, and encouraging the physical invasion of Plaintiffs' private  
21 properties by CHOP participants.

22 204.206. The City did so pursuant to City policy as created and ratified by City policymakers,  
23 including Mayor Durkan.

24 205.207. Plaintiffs have not received compensation for the deprivation of their property  
25 rights.

206.208. The City's actions constitute an unlawful taking for private use and/or an unlawful taking for public use without just compensation, which has caused Plaintiffs economic harm, including through a loss of property value, loss of business revenue, and a loss of investment-backed expectations.

## **FOURTH CAUSE OF ACTION – NEGLIGENCE**

On behalf of Plaintiffs and the Class

207.209. Plaintiffs incorporate all other allegations in this complaint.

208.210. The City's affirmative acts as described in this complaint placed Plaintiffs and Class members at high and unreasonable risk of foreseeable harm, including but not limited to property damage, lost income and revenue, excessive noise, public safety hazards, vandalism, and decreased or lost access to their homes, properties, and businesses.

209.211. The City had a duty to protect Plaintiffs and Class members from that foreseeable harm.

210.212. The City breached its duty to protect Plaintiffs and Class members from that foreseeable harm.

211.213. The City also owed the Plaintiffs and Class members a duty pursuant to the Seattle Municipal Code, including Chapter 15.52, which required the City to protect Plaintiffs and Class members from unreasonable risks of property damage and other harm and dangers by designating an alternate proposal for those who wished to create and participate in CHOP.

212.214. The City also breached the duty created by the Seattle Municipal Code by not implementing the required procedures, process, and protections.

213.215. The City's breach of its duties proximately caused harm to Plaintiffs and Class members, including but not limited to property damage, lost income and revenue, exposure to excessive noise and public safety hazards, increased expenses for security, and lost property value.

## **FIFTH CAUSE OF ACTION – NUISANCE**

RCW 7.48.010, *et. seq.*

On behalf of Plaintiffs and the Class

214.216. Plaintiffs incorporate all other allegations in this complaint.

215.217. As a direct result of the City's affirmative acts, foot and vehicular traffic on the public streets, sidewalks, and other right of ways surrounding the properties, businesses, and residences of Plaintiffs and Class members were physically blocked and/or impeded.

216.218. The blocking and impeding of foot and vehicular traffic substantially and unreasonably interfered with Plaintiffs' and Class members' use and enjoyment of their properties, including by blocking access to those properties, and has caused harm to Plaintiffs, including by reducing property values and resulting in lost revenues.

217.219. The City directly participated in the creation and maintenance of this nuisance, including by providing concrete barriers to be used for this specific purpose to the CHOP participants.

218.220. In addition to blocking public rights-of-way, the City's actions created and maintained a series of unlawful and/or unreasonable conditions, including excessive noise, public safety hazards, vandalism, and poor health and sanitation conditions.

219.221. These conditions annoyed, injured, and endangered the comfort, repose, health, and safety of Plaintiffs and Class members, and rendered Plaintiffs and Class members insecure in the use of their properties

220.222. These conditions substantially and unreasonably interfered with Plaintiffs' and Class members' use and enjoyment of their properties, including by creating a reasonable fear among Plaintiffs and Class members of using their properties, and caused harm to Plaintiffs and Class members, including by reducing property values, inflicting property damage, and causing lost revenues.
